COVID-19 Precautions

Need your help

To protect you, our residents and our staff, we are limiting visitors to our facilities.

Residents can only invite one visitor to be with them at any one time.

Do not bring children under 12 years of age into the facility.

Wash your hands or use the hand sanitiser when you enter and when you leave.

Do not enter if you have a fever or cough or flu or if you have travelled overseas in the last 14 days.

If you are unwell, please do not enter this facility.

If you require urgent medical assistance, please go to the nearest hospital or your GP.

For more information about COVID-19 visit www.health.nsw.gov.au

No unauthorised entry
